If you followed Lacey in the first sex story, Amsterdam Prostitute Book I, then you already know about her kinky profession working as a prostitute in the red light district of Amsterdam.

You may already know that Lacey is an independent woman. She works as a prostitute in Amsterdam's red light district. She is working her way through graduate school, but she really likes her life as a sexual performer. She always takes good care of her clients, because she loves her job. She gives her clients more than just college sex. She offers her clients hot erotika with a 'K' for kinky. Despite her insatiable appetite for sex, Lacey is a professional.

After a session, a regular client invites Lacey to China for a week of kinky sex. Will Lacey accept the invitation, or will she decline the offer? Spend some time reading about the sexual adventures of Lacey, an Amsterdam prostitute.

This is a short explicit sex story. This e-book has erotic scenes. You must be at least 18-years-old to read this material. If you do not like BDSM, anal sex, lesbian sex, masturbation, or prostitutes, then, I suggest you do not read this book.

Amsterdam Prostitute: Box Set (Includes all 3 books)

A Book Excerpt:

My name is Lacey, and I'm a prostitute in the red-light district of Amsterdam. I get paid to explore the art of erotica, and I love my job. Even though I am in graduate school, I know I will continue as a prostitute once I finish school.

I'm so excited to fuck right now. I'm blaming my horny feeling on my high sex drive, and on my high feeling from a bowl of cannabis I just smoked. Smoking buds has a tendency to increase my desire for sexual activity, and I am glad I feel relaxed and ready to see my next customer.

My late morning client is a woman with big, beautiful tits; I love them and I love to suck her nipples. She is highly sensual. By the time I suck on her fat nipples for a few minutes, her underwear is drenched. I really get turned on when she gets wet. She moans fantastically as she gets finger fucked. She's been visiting my room for over a year now. She always reserves me for an hour.

I review my morning client sheet from the front desk. I notice this morning is a bit different for my customer Cara, and I like when she breaks away from her sexual routine. Being able to fuck Cara is always fun, and I am glad she wants me to fuck her this morning.

Since her pussy is a little large, I know she will fancy my thick Kong dong. She might resist at first, but I know she likes big dicks. I like to wear a strap-on.

The time is 10:51. Cara should arrive at 11:00. I know she'll arrive promptly, so I hurry over to my vanity and pour a shot of vodka. I swallow the alcohol and let it slide down my throat before it rests in my belly. I want to lose some inhibitions, so I can be in charge. Cara likes when I take charge with my cock.

I adjust my lace bra and panties. My strap-on is in place. I tie my robe in a loose fashion; I want the robe to fall off my shoulder so my nipple peeks out. I want Cara to fondle me too. She likes touching my body; she always tells me while I finger her as she sucks on my tits. Cara likes to play.

As I sit down on my satin bed, I hear a card swipe through the automatic door opener to my room. Within seconds, Cara is standing in my room. She shuts the door behind her and walks towards me.

More kinkiness

By Sheila Gallagher

I received this book free in exchange for a fair and honest review.

This continues with more vignettes from Lacey's work at The Brothel. The tales get kinkier.

I would like to see the story between the vignettes fleshed out so we get to know Lacey outside of The Brothel. V. Vaughn's writing is solid and clean. She pays attention to detail but there are times when Lacey's telling gets bogged down in repetition of what she is doing, what she feels, and what she says with her clients. Expanding the story outside of Lacey's sexual acts would cut down on the repetition and would have me hungering for the next installment of Lacey's story.

Hot and interesting

By Deshanna Heavelow

This continues the story of Lacey a college student that earns the money to pay for her house and college courses by being a prostitute in the Red Light District of Amsterdam. Lacey is a fascinating character that is unapologetic for being a woman that loves sex. It makes this a hot read. Like the first book in the series this is a quick book that you can read while waiting for an appointment (if you can keep your cool, that is).

V does it again

By Random Reviewer

The series continues with the kink factor elevated to keep up interested! The Cara vignette was a little vanilla for me. Girls with toys and no tongue just isn't my style but it's erotica and, as a whole, a strong and exciting read!
