This is the most powerful book on the Psychopathological mind ...

By SunLion

This is the most powerful book on the Psychopathological mind of the European, and his complete dominance over the Afrikan here in Amerikkka, and throughout the world. Dr. Amos Wilson one of the 36

Rays of the Sun takes his seat as the Psychiatrist of Afrikan People. This book will make you think, cry, and get up and build if you are an Afrikan. In the words of Dr. John Henrik (Henry) Clark, "you have no friends, the kingdom of heaven is in the mirror!" Power to the People!!!

Amos Wilson was one of the greatest free thinking "radicals" (read Afrikan) to grace the last half of the 20th Century with his lucid writing, deep thought, and lecture series. His impact on African Peoples "Conceptualizations" of Perceived realities and thinking modalities will be of immeasurable assistance guiding us into the next century. The first offering by this MHA (Most Honored Ancestor) deals with the nature of a Crimogenic Society and its implications in our communities. The book speaks of Black on Black crime but the true value is perceived when you apply the concepts to other areas of life as well. He is survived by numerous books, and audio/video tapes. If you would like to obtain a video or audio please feel free to email me. His other works are: "BluePrint for Black Power" (10), "The Falsification of African Consciousness", "Awakening the Geneous of the Black Child", "Understanding Adolescent Male Violence", "Developmental Psychology of the Black Child"
