Exactly what I expected

By Mr. Bond

My 5 yrs old girl loves Disney's stories, but watching too much TV is not good for your children, especially most of the DVDs are at least 1 hr and half, so I bought Read-Along Storybooks and CDs for her instead of DVDs. All the stories are about 10-13 mins, and they use the real voice for the main characters just like in the DVD. My girl loves it very much, highly recommend.
