Incredibly good.

By A Customer

This was an excellent book, and a great ending to the AI gang trilogy. This book wrapped up all the loose ends quite well and had several interesting plot twists. It solves the mystery of Black Glove's identity. I can say that I wish this incredible series was not limited to 3 books. A surefire read!

Nostalgia

By Christopher R. Foster

Bought these for my son, I loved them as a kid. Him (8yr old) and my teenage daughter loved them too.
