From Library Journal

Despite varying titles, these are essentially the same book. Published in 1724, Defoe's chronicle of the scourges of the sea was a smashing success, finding a wide audience eager for tales of those cutthroat sailors who flew the skull and crossbones. The Dover edition is more scholarly, including several essays on Defoe, indexes (ships, names, and places), photos, and a postscript. If you don't need any of that, save a couple of bucks and go with the Carroll & Graf edition.

# GENERAL HISTORY OF THE PYRATES BY DANIEL DEFOE

## PDF

This work was published in 1724 under the pseudonym Captain Charles Johnson by an unknown British author, usually assumed to be Daniel DeFoe. This work is the prime source for the biographies of many well-known pirates of that era and shaped the popular notions about pirates of the day. Included are Blackbeard, Black Bart, Jolly Roger, Anne Bonny (aka Anne Bonn), Edward Teach, Henry Avery, Mary Read, and many more.

Excellent Resource in Many Ways.

By Graehound

This book is so delightfully comprehensive, all others will pale in comparison. Massive footnotes and fantastic bibliographical references included to make for an easy transition in investigating historical piracy. Must-read!

3 of 3 people found the following review helpful.

It's still a great edition, illustrated with woodcut diagrams from the original ...

By David R Floyd

The classic, true stories of 18th century pirates. I agree with David Cordingly that the author (who used the pseudonym Captain Johnson) is NOT Daniel Defoe. It's still a great edition, illustrated with woodcut diagrams from the original version of the book.

1 of 1 people found the following review helpful.

After watching Black Sails I wanted to learn more about the pirates. This was good.

By Rick H.

Very graphic violence when describing the carnage of canon fire but otherwise an excellent read. I really enjoyed reading the true stories of the pirates.
