"I never realized how many of my problems and life's obstacles were rooted in childhood. Thank you Kelly for showing me how to change everything!" - Bonnie

"I did every exercise in this book and felt like Kelly was with me each and every step of the way. I cried, I laughed, I raged, and I have now embraced a wonderful new life where my adult self is in control. Wow!" - Denise

"How I wish this book had been written decades ago! It would have saved me so many of the hardships I've been through. Kelly's book is clear, concise, friendly and extraordinary! I've recommended it to all my friends!" - Carol

From the author:

The main reason you haven't realized your true potential and accomplished your dreams is because you have a poor relationship with your inner child. You're split off from this little person that was you many years ago. When you divide yourself this way you're never really whole and these two parts of you are always working against one another. You think you're an adult, guiding your life along, but nothing could be further from the truth.

Throughout this book we'll look at various ways your younger self was misguided and poorly programmed, and ways to open up communication and heal her. You'll forge a new and better life path that will get you where you want to go. You'll rewrite the early childhood life script you've been reciting all these years and release outworn beliefs that were firmly put into place by your caregivers.

It will take time and patience, but you'll learn to love and protect that precious part of you so you can work together at last, though you'll be the one in the driver's seat from now on.

And now your journey begins!

Healing your Inner Child is some of the best self love that you can give to yourself

By Frankie L. Picasso

Healing the Child Within is another WINNER by prolific author and counselor Kelly Wallace. As you read

this book it will feel as if a **BIG** sister is giving you the benefit of her experiences and wisdom. She is loving, stern and supportive all at the same time. I know Kelly, have worked with Kelly both on and off AIR, and she is the real deal.

For some, the inner child is a new concept, for others, it may be something they have heard about but didn't really understand.

Kelly has written a real winner. Healing your Inner Child is some of the best self love that you can give to yourself. Buy this book today...Frankie Picasso, Radio Host- The Good Radio Network, Self Help Author, Coach & Hypnotherapist
