Life is always establishing as well as you need some new book [Hymns For The Drowning \(English And Tamil Edition\) By Nammalvar, A K Ramanujan \(Trans.\)](#) to be reference consistently.

HYMNS FOR THE DROWNING (ENGLISH AND TAMIL EDITION) BY NAMMALVAR, A K RAMANUJAN (TRANS.) PDF

The poems in this book are some of the earliest about Visnu, one of the Hindu Trinity, also known as Tirumal, the Dark One. Tradition recognizes twelve alvars, saint-poets devoted to Visnu, who lived between the sixth and ninth century in the Tamil-speaking region of south India. These devotees of Visnu and their counterparts, the devotees of Siva (nayanmar), changed and revitalized Hinduism and their devotional hymns addressed to Visnu are among the earliest bhakti (devotional) texts in any Indian language. In this selection from Nammalvar's works, the translations like the originals reflect the alternations of philosophic hymns and love poems, through recurring voices, roles and places. They also enact a progression from wonder at the Lord's works, to the experience of loving him and watching others love him, to moods of questioning and despair and finally to the experience of being devoured and possessed by him.

Excellent translations

By A. Guyton

Hymns for the Drowning is an excellent selection of poems from the famous bhakti poet Nammalvar. Ramanujan's translations are clear and evokative, retaining the spirit of the original Tamil. It includes an excellent introductory article on Bhakti poets and Nammalvar.

3 of 3 people found the following review helpful.

Breathtaking expressions of Tamil mystic poetry!

By Jethro Dumont

This is an amazing introduction to Sri Vaishnava tradition and Tamil mystical poetry in general. Even for now who has never read bhakti poetry, this is a perfect introduction. Everything by AK Ramanujan is a profound pleasure to read!

0 of 14 people found the following review helpful.

One Star

By meetsethu

The editor (A.K Ramanujan's) afterword portrays poorvacharya's in bad taste in few paragraphs.
