One to keep in mind is that every publication has their own manufacturing to get by each viewers. So, be the excellent reader as well as be a much better individual after reviewing this e-book **If You Can Keep It: The Forgotten Promise Of American Liberty By Eric Metaxas**

Review

Praise for **If You Can Keep It**

"Profound and thoroughly entertaining . . . This book has made me think in ways that I haven't in years. Metaxas is a major writer. Not to be missed." —Dick Cavett

"**If You Can Keep It: The Forgotten Promise of American Liberty**—along with such essentials as *Up from Slavery* by Booker T. Washington and *The 5000 Year Leap* by W. Cleon Skousen—must be front and center on every reading list." —The Washington Times

"Everyone in every country, at every socioeconomic level, of every religious and secular persuasion, of every political bent, should read it. . . . It's the book you must read this year." —Martha Rogers, PhD, coauthor of *Extreme Trust: Honesty as a Competitive Advantage*

"Eric Metaxas [is] one of our nation's most brilliant and morally serious public intellectuals." —Robert P. George, McCormick Professor of Jurisprudence at Princeton University

"Irresistible . . . compellingly written . . . important. Not only should every American read it—they should then reread it aloud to their children and grandchildren." —Dennis Prager

"Eric Metaxas has done a great service to the country." —Gregory Alan Thornbury, PhD, president of the King's College, New York City

"A faith-based argument for American exceptionalism . . . that will appeal to Christian readers." —Kirkus Reviews

Praise for *Miracles*

"*Miracles* is the sort of book that—once you've read it—you'll wonder where it's been all your life." —Kathie Lee Gifford, Emmy Award-winning host, *The Today Show*

“If you’re a skeptic, read this book with an open mind and you might just discover that miracles are real. If you’re already a believer, be ready to be inspired.” —Kirsten Powers, columnist for USA Today and The Daily Beast

“Take the brilliant mind of Eric Metaxas, add the provocative topic of miracles, and get ready to change the way you see reality forever.” —Erwin Raphael McManus, founder of MOSAIC and author of *The Artisan Soul: Crafting Your Life into a Work of Art*

“Metaxas has done it again. . . . He presents hope for the tone deaf who cannot hear the splendor of the music of the spheres, and he brings in sunlight for modern cave dwellers who have become accustomed to only shadows on the wall of our increasingly windowless world.” —Os Guinness, author of *Long Journey Home*

“The miracles in *Miracles*—and Eric's own amazing miraculous experience—bring out the fact that the miraculous gift of eternal life that God provides can be experienced here on earth.” —Luis Palau, international evangelist

Praise for Bonhoeffer

“Eric Metaxas tells Bonhoeffer's story with passion and theological sophistication.” —The Wall Street Journal

“A captivating and inspiring read from start to finish . . . Buy it. This book could change your life.” —James N. Lane, founder of the New Canaan Society and former general partner, Goldman, Sachs & Co.

“Eric Metaxas has written the kind of extraordinary book that not only brings Dietrich Bonhoeffer, his times and his witness vividly alive, but also leaves us yearning to find the same moral character in ourselves. No biographer can achieve anything higher.” —Archbishop Charles Chaput

“Metaxas’ *Bonhoeffer: Pastor, Martyr, Prophet, Spy* is a modern-day classic that should be on ‘best of’ lists for the decade.” —Relevant Magazine

“[A]n electrifying account of one man’s stand against tyranny.” —Human Events

About the Author

Eric Metaxas is the #1 New York Times bestselling author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy*; *Amazing Grace: William Wilberforce and the Heroic Campaign to End Slavery*; and *Miracles*. IF YOU CAN KEEP IT: THE FORGOTTEN PROMISE OF AMERICAN LIBERTY BY ERIC METAXAS PDF

#1 New York Times bestselling author Eric Metaxas delivers an extraordinary book that is part history and part rousing call to arms, steeped in a critical analysis of our founding fathers' original intentions for America.

In 1787, when the Constitution was drafted, a woman asked Ben Franklin what the founders had given the American people. "A republic," he shot back, "if you can keep it." More than two centuries later, Metaxas examines what that means and how we are doing on that score.

If You Can Keep It is at once a thrilling review of America's uniqueness—including our role as a "nation of nations"—and a chilling reminder that America's greatness cannot continue unless we embrace our own crucial role in living out what the founders entrusted to us. Metaxas explains that America is not a nation bounded by ethnic identity or geography, but rather by a radical and unprecedented idea, based on liberty and freedom for all. He cautions us that it's nearly past time we reconnect to that idea, or we may lose the very foundation of what made us exceptional in the first place.

Most important book to read this summer!

By Lancia E. Smith

I have not read anything in the past couple of decades that has stirred in me so much a sense of the fragile and awesome responsibility of what it means to be American. This is a book written to reach the hearts of Americans who love America but whose memory of our precious identity has been covered with tarnish. Citations for the many references would have earned this title a 5 star review, but even without them, I can say this is very likely the most important book you can read this year. What Eric Metaxas does well, he does better than just about anyone. He stirs memory, longing, and calling while shining a light forward. Few books you read this year will give you a greater sense of hope or accountability! Buy it, read it, and give copies to your loved ones! Who of us does not need to remember how precious a gift and responsibility we have to uphold America?

A good kind of political

By Doug Hibbard

I cannot help but think many will dismiss Metaxas' latest as a simple political tome. After all, he's fairly well pigeon-holed on the "conservative" side of the fence in modern life. However, this is more of a historical review than a candidate advocacy book.

First of all, Metaxas reviews the founding of the United States. Obviously, for the sake of time, he simplifies some of the history but does not take excessive liberty. I do think that some debate is valid over the religious views of the Founding Fathers (Jefferson, especially) but Metaxas is right that they were all convinced of the need for a morality based outside of human preference for self-governance.

Second, the charge here is clear: liberty is the heritage of America but we are foolishly giving it away. He identifies both liberal and conservative errors that are confounding our heritage.

In all, a good challenging read. May it inform not only votes but our approach to a republic and liberty as a whole.

Key principles for our time

By Sharon C

Eric Metaxas makes the case for American patriotism in this compelling and timely book.

In addition to his summary of Os Guinness's *Golden Triange of Freedom*, I felt one of the most significant

sections was his description of the relationship between character in political leaders and the health of the republic. While a Judeo-Christian worldview would lead one to expect a connection between the two, and the Founding Fathers saw it clearly, this principle seems to be doubted by American society as a whole. Metaxas explains the dynamic in specific detail - how a lack of trustworthiness in leaders contributes to cynicism, self-interest and/or disengagement on the part of the populace, which in turn is deleterious to republican self-government. In a political climate where the character of our national political leadership is sorely lacking, this understanding is urgently needed.
