My Earth Angel x

By Kiran

Where do I start.... Miriam, or My Miriam as I call her, is a person that if you should ever come in contact with, in any capacity, just be very prepared for a LIFE CHANGING Encounter. When I First met her I didn't quite realize how broken I was, but after speaking with her on many occasions and after reading her book Broken I Understood why The Father had sent her in to my life. She taught me about Love... How to Love others unconditionally but more importantly how to love myself... By the time her book Love Rehab had come out my journey of self discovery had shifted in a most dynamic way even though looking back it wasn't quite obvious on the outside. You see, Miriam has a way of touching on things, things that are deeply buried away inside of you...Some of the things were so painful to face at the time but her consistent sincere love for me (Which I Could feel deeply) her humour and humility only drew me closer to her and the Father. As I now move in to the next chapter Of my life I Know I will never be the same again... Love rehab has made me laugh and cry all at the same time & has taught me so much (And I'm still Learning by the way lol) that I Know without a shadow of doubt that the person I'm becoming is only because of The Power of the Fathers love for me and the Earth Angel called Miriam whom He divinely sent my way...Words cannot express how much I appreciate and value you Miriam and I am truly Grateful to Father for sending you my

way. You have taught me about Love in a way that no one has ever taught me... Your books and your heart will always be close to me in my home, for myself & others who come my way. To know Miriam is to Love Miriam & I know Many of you may never get to know Miriam in the personal way that I Know her, however, I would highly recommend the next best thing which is purchasing this amazing book for you or anyone who has a deep longing desire of wanting to change their life for the better from the inside out because trust me YOU Will never be the same again! The book/books contain Heavenly inspired golden nuggets that can only improve your life supernaturally for the for the better... KR x

Love Rehab is Brilliant and A Life Changer!

By Darwin D. Nolan

This book has changed the life of three of my closest friends. It help them to open their mind and hearts to the reality of what Love truly means and how Love should be and that is "unconditional". I encourage all of you to purchase the book for yourself or any friend that is facing the cross roads of Love in Marriage or any relationship. The words of Miriam well give you the persective you need to make very difficult decision on your life which will be worth your time and money. Time is the most precious and unappreciated element of life that we can not re live or get back once it's gone it's gone. The book is brilliant and can help you answer many of your questions that you seeks answers to.
