The distinction is only the forms of guide Nate The Great By Marjorie Weinman Sharmat, whereas, this condition will specifically pay.

From the Publisher

Shortly after a breakfast generously supplied with pancakes, Natethe Great got an urgent call from Annie.

"I lost a picture," said Annie. "Can you help me find it?"

"Of course," said Nate. "I have found lost balloons, books, slippers, chickens. Even a lost goldfish. Now I, Nate the Great, will find a lost picture."

"Oh, good," Annie said.

Nate, with the cool detachment of a Sam Spade, immediately plunges into his new and baffling case. Getting all the facts, asking the right questions, narrowing down the suspects. Nate, the boy detective who "likes to work alone," solves the mystery and tracks down the culprit. In the process he also discovers the whereabouts of Super Hex, the missing cat.

*“Marc Simont has dressed Nate the Great in Sherlock Holmes garb, and Marjorie Weinman Sharmat has perfectly reduced Sam Spade sentences to fit primary grade sleuths. Adults won’t mind reading this aloud again and again. Kids will like Nate the Great. Kids will want to read more of his books.” —School Library Journal, Starred

“The illustrations capture the exaggerated, tongue-in-cheek humor of the story.” —Booklist

Nate the Great Detective Debut

By Mel Odom

NATE THE GREAT is the first book in a wonderful series that introduces young readers to the world of mysteries, clues, and pancakes that is Nate the Great. Shortly after a big breakfast of pancakes, Nate is contacted by his friend Annie. She has a mystery for him. The picture, painted in yellow, she did of her dog Fang is missing. She wants Nate to find the picture for her. Nate leaves a note for his mother and is in hot pursuit of the clues that will let him know where the missing picture is. During the course of his investigation, Nate meets Rosamond and her four cats-Super Hex, Big Hex, Little Hex, and Plain Hex, and Annie's little brother Harry. One of them holds the secret of where the missing picture is.

Marjorie Weinman Sharmat is the author of over twenty Nate the Great adventures, including NATE THE GREAT STALKS STUPIDWEED, NATE THE GREAT AND THE BORING BEACH BAG, NATE THE GREAT AND THE HALLOWEEN HUNT, and NATE THE GREAT AND THE MUSHY VALENTINE.

She has written dozens of books for young readers. She named Nate the Great after her father. Her books have been named as Children's Choice books and Junior Literary Guild selections, and been picked as Books of the Year by the Library of Congress. Nate the Great was named after the author's father.

As in every Nate the Great book she writes, Marjorie Sharmat plays fairly with young readers (ages 4-8) regarding the mystery and the clues. Her prose is tight, clean, and concise. Reading aloud to younger readers is an absolute hoot, and if the reader can manage the tough-guy private eye voice of a Mickey Spillane novel, the effect on young readers is even more mesmerizing. The illustrations by Marc Simont-the long-time artist of the Nate the Great series-complements the story very well, lending humor, clues, and vibrant color for young eyes. NATE THE GREAT is the perfect place to join the series because this book sets up all of Nate's world, from the frantic call by friends that have lost something, to the note Nate always leaves his mom on the refrigerator explaining his whereabouts, to the regulars that make up Nate's world.

The entire Nate the Great series is recommended to younger readers and parents who love reading to their children that might have tired of (or memorized!) all of the rhyming Dr. Seuss books. This series makes a great transition to leap from to Nancy Drew or the Hardy Boys later.

Hilarious children's book in verse

By Yakov Hadash

"Nate the Great" is, in a word, great. In Nate the Great, Marjorie W. Sharmat has created a hero for young boys. He acts very independently, walking around the neighborhood by himself, making his own pancakes, etc. but he wears his rubbers, and he *always* leaves a note for his mother. Marc Simont really comes through in his laid-back illustrations (some shaded, some in color) that reveal important points of the case, but do not force things down the readers' throats. Also, like the writer, Simont manages humor without going overboard.

As in the best children's books, the writing style is simple yet powerful, like a haiku. Although the "Nate the Great" series is written in full sentences, Sharmat has slyly created a wonderful introduction to poetry-that-doesn't-rhyme with his carefully placed line breaks and page breaks. Here is the first page of text: "My name is Nate the Great. / I am a detective. / I work alone. / Let me tell you about my last case: / I had just eaten breakfast. / It was a good breakfast."

The first book in the Nate the Great series is by far the best, because the funniest parts are in the character development that, of course, takes a back seat in later volumes. The establishing shots of and paragraphs talking about Nate, Annie, Fang, and Rosamond are absolutely hilarious. Continuity watchdogs will note Fang's slightly more menacing nature (and color change) and Annie's lost fascination for yellow in later books. Of course, kids won't notice or care.

The official reviews don't make it clear which books in the series are actually in this volume. The cover is definitely not the original cover of book 1. You might want to look into that before buying.

This series is great fun for little kids and whoever is lucky enough to be reading to them. Get all the Nate you can find!

Great Mystery Compilation for Kids!

By KTeacherNYC

My class of first and second graders loves when I read "Nate the Great" books aloud. This CD allows them to listen to it themselves, and follow along in the book - great for a classroom listening center. The actor who reads aloud has the perfect voice for Nate, child detective.

The only problem is that the stories and their corresponding tracks are not explained. Each story takes 3 or more tracks to complete. I had to make a chart for the kids to follow : Nate the Great Goes Undercover - tracks 1,2,3. Nate the Great and the Halloween Hunt tracks 4,5,6,7,8. etc.
