Natural Disasters textbook

By Dwight A. Koehn

Book was received in 2 days after ordering. It was in great condition, and I am very pleased with my purchase. It is needed for a class I'm enrolled in, and the price was much better than the one offered at the school bookstore!

I will use this seller again, and recommend to all others.0 of 0 people found the following review helpful.

Interesting

By Meng F. Yang

Very interesting and informational. Used it in College class "Natural Disasters I,II,and III".

III was hard...lol

anyways, good book, kinda dry, but you'll learn something, if you read it.

Fast and easy

By M. Jones

I got the book in a little over a week, which I think is super fast since I waited until the very beginning of the semester, payment was very easy. The book was in great condition. Thanks!See all 12 customer reviews...
