Most helpful customer reviews

2 of 2 people found the following review helpful.

Worth It.

By KKM

Interesting, smart, and entertaining script. Adams draws some interesting comparisons between a distant (and fictionalized) history and the sexually vibrant sixties. Easily produce-able, and also great scenes for acting classes. Read it, and keep it in your library.

Libretto

By Louis Baslaw

I really wanted to read all that I heard at the theater. It reads as well as watching it live.
