I enjoyed this book

By Amazon Customer

I enjoyed this book. I thought unlike other people, I did not like Catherine. I thought she was a horrible

person. I thought Clay did all he knew how to please this woman and she continued to belittle him. He put up with way more than I would. I understand her issues growing up, but, why treat someone like that. But, I did enjoy the book.

Beautiful romance

By GSKM in sc

I read this years ago in paperback and it was a favorite. I got the ebook and audible to see if it was as good as my memory. It was better. It is a coming into her own type of story for the female and it then sparks similar maturing for the male. It really is so very well written. A must read.

A pleasant read

By Amazon Customer

I loved the way she developed Catherine and Clay's characters. What seemed to be pulling them apart was, in the end, actually bringing them closer together. I loved the twist that her mother revealed that you never saw coming.
