TAUNTING TARA: DRAINING THE HUCOW (HUMAN COW FIRST TIME EROTICA) BY NARCISSA RIVERS PDF

Tara is beyond begging...she needs to be made into a huCow, NOW!

It was supposed to be one last fun night, a quick trip to a mysterious dairy farm that seemed to have no cows. Instead, it turned out to be the gateway to Tara's, Fanny's and Pam's new life as milky huCows. Signing their lives away to the hot, muscled ranchers, the curvy women can now only wait to be initiated into the herd. Tara's going to be first and she can't wait!

Brendan is rough and to the point. In his hands, Tara will experience her first draining and plowing. If only he would stop teasing her and just take her already... She wants his thick rod inside of her and his hands on her heavy, cream-filled tits!

This story includes cowboys, human cows, rough play, humiliation and an ample amount of dairy.
