HOT HOT HOT

By Anonymous

Wow, this book is HOT. I loved the first one, and this one is HOT. There is a lot of sex and spanking, but I love how it all makes sense. All the sex and spankings flow with the story, and the chemistry between Chad and Cassie is dynamite. The other two characters, Marty and Hannah, really come into their own as well. I love Marty, he's like the big lumbering cowboy that can bear hug like no-one else, and you can really see him. I hope there's a Rules 3. (Hint, Hint). I'm thinking there might be the way this one ended. Great read. Truly great read.

I liked this BDSM romantic suspense novel (that's how I would categorize it)

By Kaci510

I choose this rating because at first I thought 4 stars because the who (was the bad guy) was obvious but it was still very suspenseful so I bumped it to a 5. This was the first book ever where I loved the dog as much or more than I loved the leading man (and I am a cat lover so that's a big compliment.) The sex and spankings were hot! The side romance of the secondary characters and their friendship with the main characters was a nice bonus. Note: this was part 2 of this couple's romance and it's best (but not a problem) to read the other book first.
