THE LAST SHOT BY SARA HUBBARD PDF

Annie: As a child I was unwanted and unloved. Tossed aside until my maternal grandmother came to claim me. Life got better after that, and it got better still when I met Ethan Michaels, the boy down the street who was determined to make me feel like I mattered. At first he was my friend, but then he became much more. But love isn't real. Not in my world.

When Ethan left to pursue professional hockey I had to make a clean break. I couldn't wait for him to find someone better, couldn't wait for him to break my heart. It's better to leave than be left. But now he's back, and I can't run from him anymore.

Worse...he won't let me.

Ethan: Annie Fraser owned me as a kid. She owns me still. When I got my first contract to play professional hockey I asked her to come with me, but she wouldn't leave Rawdon, not while her grandmother was sick. I understood. Still, I wanted to stay together, do whatever I could to keep her.

But she wanted to run.
I loved her enough to let her.

Now I'm back in town and I'm pissed. I think I hate her. I'm sure of it. Until I see her... and those old feelings come rushing back. I won't let her walk away again. I don't care what it takes.

* The Last Shot is a contemporary, second chance at love novel between a professional hockey player and a nurse. Although sweet with tamer language, it contains sexual situations and adult language.

I read a lot of romance books. Probably 3-4 a week. The synopsis looked great and what convinced me to buy the book was the 2 five star reviews. Not sure if the reviews were from friends/family of the author.

This book was awful. The heroine was super negative and the chemistry just wasn't there. I found myself skimming the last few chapters because I didn't care much about the characters. I rarely if ever leave reviews but I felt compelled to so that I can spare a fellow reader from purchasing this horrible book.

Intense romantic story!

By Nicole Laverdure

I love intense romances! *The Last Shot*, by Sara Hubbard, is a sexy, can't put down romance novel of second chance!

It tells the touching story of broken souls in search of love. Her characters Annie and Ethan, have flaws, which makes this story more realistic! Annie, a nurse, always loved Ethan, since they were teenagers, but their relationship became too intense for her, so she decided to let him live his own dream of becoming a famous hockey player. They both came from broken families and had suffered so much. But destiny, will bring them together, when Ethan's brother, Manny, is injured and brought to the hospital where Annie is working. When they meet again, old feelings come back, which becomes a love/hate relationship. Ethan, loves her so much, that he will do anything to win her heart and get her back, but he is an impulsive emotional guy. After a three years separation, lots of emotions overwhelm them! Also, their family relationship is very complicated. Do they still share the same feeling for each others? Will she give him a second chance? Will his brother Manny, intervene to get those two stubborn lovers, back together? Just, go and grab this one when it comes out, you won't be disappointed!

Ms. Hubbard wrote a well written, fast-paced, sexy and romantic story of second chance. You don't need to be hockey fan, to love "*The Last Shot*", just a romantic soul!

Don't waste your money

By Chelsea Bailey

This book was horrible. I wouldn't recommend it to anyone. The main characters were boring, you didn't really learn much about Annie's past. The bad guy Charlie could have been played up so much more than they did. Then the relationship between Annie and Ethan was just boring. He showed up, they said they missed each other and bam they were back together. It was stupid and not worth the money.
