The Oxford Shakespeare

General Editor: Stanley Wells

The Oxford Shakespeare offers authoritative texts from leading scholars in editions designed to interpret and illuminate the plays for modern readers

- A new, modern-spelling text, collated and edited from all existing printings
- Extensive introduction gives full attention to the play's bold treatment of racial themes, gender, and social relations
- Detailed performance history designed to meet the needs of theatre professionals
- On-page commentary and notes explain language, word-play, and staging
- Appendices on music in the play and a full translation of the Italian novella from which the story derives
- Illustrated with production photographs and related art
- Full index to introduction and commentary
- Durable sewn binding for lasting use

'not simply a better text but a new conception of Shakespeare. This is a major achievement of twentieth-century scholarship.'

ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Great play, great electronic version

By Nick

Othello was one of the first plays I was exposed to when I was younger. It has murder, suicide, intrigue and things that would get a teenager into Shakespeare.

I've had mixed success with some of the free Kindle versions of Shakespeare. Some have been good, some have been awful. This is an exceptional version. It's formatted nicely and is easy to read. The only "lack" is that it is without line numbers, so if you were to use this for academic reasons, you might have an issue or two.

Thus far, Othello's my favorite free Shakespeare play. I missed how much of a jerk Iago was, and all the deception that lead to Othello killing Desdemona.

If you've got a Kindle and want to read Shakespeare, then download this version.

Shakespeare's best Villain

By R. J. Marsella

Is there any other character in all of literature who is as calculatingly evil as Shakespeare's Iago? His jealousy over being passed over in favor of Cassio engenders a revengeful scheme that turns jealousy into a weapon used to destroy the noble Othello. Here innocence and trust is contrasted with pure manipulation and evil in what is one of Shakespeare's most revealing tragedies. The characters act exactly as they would be expected to based on the overriding quality that they represent. Othello is wonderful Shakespearean drama that ranks among his greatest works.

The Folger Library editions are my favorite. Each page has a facing page that explains obscure terms and helps as a handy reference to make reading the plays pleasurable and educational. These paperback editions of Shakespeare's works are a great value and fit in your pocket.

It's Shakespeare

By J. Chad Davis

Really, if you enjoy Shakespeare's plays, then you'll enjoy Othello. The actual read-ability of this digital version is excellent, so I'd recommend it above other digital versions.
